About the CCES

The CCES is an independent, national, not-for-profit organization with a responsibility to administer the Canadian Anti-Doping Program. We recognize that true sport can make a great difference for individuals, communities and our country. The CCES acknowledges funding, in part, from the Government of Canada. We are committed to working collaboratively to activate a values-based and principle-driven sport system; protecting the integrity of sport from the negative forces of doping and other unethical threats; and advocating for sport that is fair, safe and open to everyone.
